- The recommendation of your previous school or college
- The availability of places on the course of your choice
- Any recognised medical or special needs you may have

In the case of over-subscription, applications from suitably-qualified students will be considered against the following criteria:

- 1 Students who have a statement of Special Educational Needs
- 2 Students looked after by a local authority under the provision of the Children's Act 1989
- 3 Students whose applications are received by the CAP deadline date 3rd February 2012
- 4 Students with a sibling at Comberton Village College at the time of admission
- 5 Students who attend CAP (Cambridge Area Partnership) schools or who currently live with their parent(s) in the Local Authority defined areas served by these schools
- 6 Students who make an application from outside the CAP

Entry to Comberton Sixth Form will not be by formal interview, but an informal guidance meeting will be held to advise students on appropriate course selection and expectation. We aim to interview all appropriate first choice applicants who meet the admissions criteria. Second choice applicants will be interviewed depending on the availability of suitable courses.
