

Course Entry Requirements

Our Sixth Form seeks to provide appropriate courses and routes for committed students seeking to engage in higher-level study.

We will need to be convinced that you are serious about wishing to pursue higher-level study and are committed to working appropriately. You will need to have the following minimum GCSE or equivalent qualifications for our different courses:

- **AQA Baccalaureate, incorporating A-levels**

A minimum of 5 B grades (with at least C grades in Maths and English). Minimum of B grades in subjects to be studied at A-level – please note science subjects require a minimum of a B in Maths, and Photography a minimum of a B in Art.

- **Pre-U options**

A minimum of 5 A*/A grades. This recognises the particular challenge of these courses.

- **Vocational**

A minimum of 5 C grades (preferably including Maths and English).

- **Sports Academies**

Students will need to be able to demonstrate excellence in their chosen sporting area. This may involve assessment by the relevant lead professional coach.

In highly exceptional circumstances, these requirements might be negotiable.
