

# CSF TRANSPORT INFORMATION & FAQs

CSF runs a network of bus routes that cover the local area for students to travel to sixth form. They are all organised and run by CSF and payments are made directly to CSF each term unless subsidised by CCC.

## Bus coverage

This map provides a general idea of where the 8 bus routes run. For a detailed list of bus stops please see the timetable on the next page.

For a full timetable including return journey times go to the CSF transport page.

## How much does the bus cost per term?

The cost of a seat is dependent on the distance away you are from CSF. The further away you live the greater the cost. The maximum cost this year (academic year 2020/2021) is £340 per term for travel and the lowest is £250. Prices for 2021/2022 will be published in the summer term of 2021.

## Are there subsidised bus fares?

Financial support is available from Cambridgeshire County Council for students living in low income households. For full details please go to their website. CSF has a financial bursary which can be used for a variety of educational needs including transport costs. Please go to the financial support pages on the CSF website for details.

## How do I get a seat on a bus?

All students who receive an offer from CSF are invited to a Welcome Event in June. In the information pack for this event is a form to request a seat on a CSF bus. This does not obligate you to take the bus but does ensure that a seat is allocated to you. The first payment will be requested after GCSE results are out and your place at CSF is confirmed.

## How frequent is the bus?

The bus collects students in the morning and returns them at the end of the school day. Students are on site for the whole day. Sixth form classes end at 2.50pm with buses leaving at 3pm.

## Are there any other bus services to CSF?

The number 18 Stagecoach bus comes to CSF, the route covers Cambridge, Newnham, Grantchester, Bourn and Cambourne. For details on student bus passes please see the Stagecoach website.

## Is there vehicle parking at CSF for students?

Car parking spaces are limited and are reserved for Year 13 students. Under exceptional circumstances Year 12s may park onsite after approval is given by the Head of Sixth Form. Both Year 12 and 13 may park mopeds or motorbikes onsite after completing the parking permit form and providing the necessary documentation.
